5. Confidential Information/Trade Secrets. During the course of the performance of the Services, Consultant may have access to, have disclosed to it, or otherwise obtain information which Client identifies in writing or through labeling as being of a confidential and/or proprietary nature to it (the "Confidential Information"). Consultant shall use such Confidential Information solely in performance of its obligations under this Agreement. Information shall not be deemed confidential if such information is: (i) already known to Consultant free of any restriction at the time it is obtained, (ii) subsequently learned from an independent third party free of any restriction; or (iii) available publicly.
